

Want to keep your bike safe at Preston station, hire one or in need of some bits to kit you out? Virgin Trains and Leisure Lakes Bikes have got you covered. We've worked together to create a lovely secure Bike Hub and shop just outside the entrance.

Join up

If you're lucky enough to be one of the first 200 people to sign up to the Virgin Trains Bike Hub, you'll get your fob for free. After that, it's only £5 to join. All you have to do is give us your name, email address and show us some I.D. to get a registered Bike Hub fob.

Find the Bike Hub

You can find it just to the left of the main entrance to the station, by Butler Street.

Opening Times

Our Bike Hub is open 24 hours.

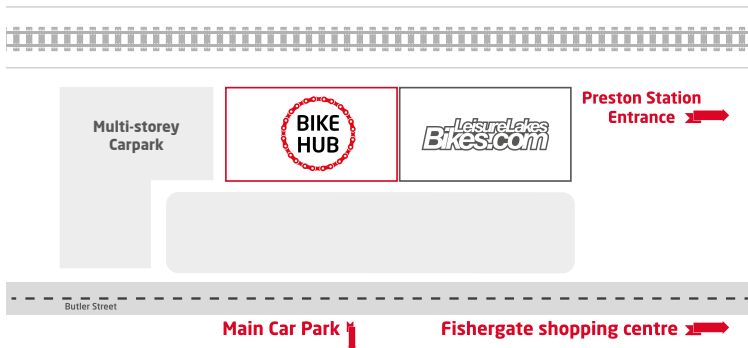

Welcome to our brand new Bike Hub

Find a Bike Hub

You've got the fob and the welcome pack (you lucky thing), now for the Bike Hub. Follow the signs to the main station entrance and it's to the left, next to the multi-storey carpark.

How to get in

You can get in 24 hours a day- just use your fob. Then lock up your bike and the CCTV will keep an eye on it while you're away. If your bike ever needs a little TLC, pop next door and Leisure Lakes Bikes will help get you on your way

Lost fob?

Don't worry- just speak to the station staff. We'll need to check your name, sign-up email address and see some I.D. before we can let you into the hub to get your bike. A replacement fob is only £5. Sorted.
